

Initial Coaching Session for the Leadership Team

Name _____

Church _____

(Please send this to your coach at least three days prior to the LT meeting.)

Please reflect, in writing, on your congregation's "current reality" as we begin working as a team.

Summarize, in your personal view, the current reality of your congregation's life and ministry by answering these questions:

1. Which of these words best describe your congregation? Please circle.

Faithful	Traditional	Evangelistic	Risk-averse
Loving	Generous	Healthy	Dysfunctional
	Conflicted	Barely-hanging-on	

2. Do you have any significant concerns regarding your congregation's future? If so, what are they?
3. From your perspective, were there any surprises from the Sunday-morning congregational survey? If yes, then what were they?
4. Write up a best-case scenario of where you would like your congregation "to be" one year from now. (1 or 2 paragraphs)
5. How is this scenario different from your congregation's current reality?
