(Email your answers to these questions to your coach at least three days
before your scheduled LT group session.  You may give your best guess to
the statistical questions below.  Or, you can consult your already completed
Congregational Profile for some of the information.)

One way to discern your current reality in congregational life is to focus on
six different ministries: worship life, Sunday-morning education, group life,
outreach, financial stewardship, and care and visitation for those who are
homebound or in the hospital.

**Worship:**  The current reality is measured primarily by your average weekly
worship attendance.  What is it? _____ What was your average
attendance last year?  _____ The year before that? _____
What percentage change does this represent over the last two to three years?
_____

**Group Life:**  Not counting Sunday adult class(es), how many adult groups
are meeting on a regular basis? _____  How many *different* people does this
represent in total? _____

**Sunday-morning Education:**  Do you have one or more classes for adults?
If so, what is the total number of adults involved?  _____  Any Sunday
school for youth and/or children?  If so, what is the number of
children/youth involved? _____

**Outreach:**  Does your congregation have any on-going outreach ministries?
If so, what are they?
--How many different members, in total, are involved as volunteers? _____

**Financial Stewardship:**  What are you currently averaging in total monthly
offerings? _____ What was your monthly giving one year ago?
_____ Two years ago? _____ Does your
congregation have cash reserves?  If so, what is your current total when it
comes to reserve funds? _____ What are you currently
averaging in monthly expenditures? _____

**Care and Visitation:** If you do not currently have a pastor to take care of this, are there one or more members available to cover this?

What is your overall assessment of the above information?
