

Leadership Team Third Group Session

Discussing, from last session, whether you are “encouraged” or “alarmed”...

Of six ministry areas mentioned in session two, let’s address **worship** and **finances**.

WORSHIP

--Interim pastor, or not?

--What is the current state of your worship life?

--If no interim pastor, what is the status for pulpit supply?

--Any need for members to bring the message?

**Individuals?

**Dialogue sermons?

**Considering the best sermon Bible texts for this situation; i.e., texts that practically “preach themselves”...

**Capability in sanctuary to show videos?

Communion practice?

How about worship music?

**Piano or organ?

**Hymn/song selection...

**Liturgy: Music or spoken?

Sunday morning *Hospitality*; status check...

**Refreshments...

**Greeters?..

**Any visitors? If so, follow-up?

Attendance

**Has anyone drifted into inactivity? Should they be contacted?

FINANCES

Status?

If not good, do the members *know*?

Any need for a financial appeal?

**Any member willing to give a challenge gift; i.e., to be matched?

**How about a specific appeal for a more specific need?
